

Thank you for your interest in TreeHouse Custom Drums!!

TreeHouse is not actively seeking endorsers at this time, but we would be happy to partner with a few established, professional, likeminded artists. If you are outgoing, friendly, like the whole TreeHouse Drums vibe and think you can communicate the message to folks while you're out there doing your thing, go ahead and fill out this application and let's get started! Please take a minute to let us know how you heard of TreeHouse and your history with the company. You can do this by emailing that bit along with a heads-up that you'll be applying to:
Derek@TreeHouseDrums.com

First, some words about “endorsement” as we see it. Endorsement with TreeHouse does not mean free drums. If this is what you are seeking, thanks for stopping by, but these are not the drums you seek... On occasion, however, we do partner with folks, offering them substantial discounts for drums (and other stuff) and can reduce those rates even further in the future based on exposure and the referral of new customers. Benefits can also include the opportunity to evaluate new products, artist/band exposure on TreeHouse’s website and other media, and invitation to the bar-b-cue.

Peace, and thanks again!!
